

TRANSPORTATION

FORM

In order to efficiently transport the children who need to be taken to the Clark Sport Center to participate in the Swim-Gym Program, we have developed a check-in/check-out procedure for each of the age groups. Please sign this consent form for any children who need to be escorted from the church to the sport center. If additional restraints or boosters other than standard seatbelts are needed, please let us know so that necessary arrangements can be made.

_____ has my permission to ride from the Community Bible Chapel in Toddsville, NY to the Clark Sport Center in Cooperstown, NY, with a designated parent or teacher volunteer in a privately owned vehicle equipped with seatbelts.
